

Application # 10/054,022
RCE Preliminary Amendment dated March 5, 2004
Reply to Final Office Action dated January 21, 2004

PATENT
P-4523/15

AMENDMENTS TO THE DRAWINGS

Please replace present drawing sheet 1 with the attached drawing sheet. In the replacement sheet, Fig. 2 reflects the device as described as recited in claim 1, i.e., with the safety cap disposed over at least a portion of the exposed needle cannula.
